

We're Hiring | Supply Chain Analyst

Shwapno is looking for a detail-oriented **Supply Chain Analyst** to support demand planning, inventory optimization, and supply chain performance through data-driven insights. This role will play a key part in analyzing supply chain data, building dashboards, and improving operational efficiency across our retail network.

 Location: **Dhaka**

 Apply at: hiring.shwapno.retail@acilogistics.net

Join Shwapno and contribute to building a smarter, more efficient supply chain for Bangladesh's leading retail chain.

Supply Chain Analyst

Key Responsibilities:

- Collect, validate, and analyze supply chain data including sales, inventory, and logistics.
- Develop and maintain dashboards and reports to monitor stock levels, replenishment, and performance KPIs.
- Provide actionable insights for demand forecasting, inventory optimization, and supply chain efficiency.
- Support Planning and Operations teams with ad-hoc analysis and reporting needs.
- Identify trends, gaps, and opportunities for process improvements across the supply chain.
- Assist in automating reporting processes to reduce manual work and improve accuracy.

Educational & Experience Requirements:

- Bachelor's degree in Supply Chain Management, Business Administration or Engineering. MBA (Major in Supply Chain Management/ Operations/ Finance) will be preferred.
- Minimum 2 years of experience in retail and FMCG.
- Strong command in MS. Office, SAP and Power BI/ SQL.
- Excellent communication and stakeholder management skills.
- Strong analytical thinking, problem-solving capabilities, and commercial acumen.
