

**American International University-Bangladesh  
Department of Computer Science**

## **Notice**

### **Registration for Spring 2023-2024 Thesis/Software Project I/ Software Project II**

This is to notify you, that the students of BSc in CSE/CS/SE/CSSE/CIS and of MSCS who intend to take official Thesis/Software Project I/Software Project II in **Spring 2023-2024** must get registered in Departmental Research Portal <https://cs.aiub.edu/portal/research/login>.

Contact your **Thesis/Software Project Supervisor** after registration completion to **activate** your account and apply in the Thesis/Software Project offered by your Supervisor in the Research Portal. Do not contact [info@cs.aiub.edu](mailto:info@cs.aiub.edu) for account activation unless the issue is complicated (e.g., blocked).

\*\*\*Pre-Requisites for Thesis/Software Project I/Software Project II:

Type	Pre-Requisites
<b>Software Project I:</b>	70 credits must be completed.
<b>Software Project II:</b>	Software Project I must be completed.
<b>BSc Thesis:</b>	Research Methodology course and 100 credits must be completed.
<b>MSCS Thesis &amp; MSCS Thesis Continued:</b>	Contact Supervisor.

[Click here](#) or Scan the QR Code to download detailed Guidelines!!!

**Time Period: Pre-Registration period and Final Registration period.**

**Note:**

- Students need to follow the official pre and final registration notices posted/to be posted on the University website to keep track of the registration period and deadline. The registration will only be done during the pre-registration period and the final registration period. **If a late registration fee/semester cancellation fee is added as per university policy in case any student misses any of the deadlines- a) the deadline for pre-registration/ final registration and/or b) the deadline for validating their registration, the Department will not be responsible.**
- If any student follows the guidelines has issue(s) related to **Probation, Document Block, Due Balance, Incomplete Grade, Readmission, etc.**, their registration cannot be completed unless the student takes clearance from the designated office according to the issue they have and submits the acknowledgment form to the contact email provided below.

Contact [info@cs.aiub.edu](mailto:info@cs.aiub.edu) with the subject “**Thesis/Software Project Registration Spring 23-24: xx-xxxxx-x**” if you face any problems. (Put your AIUB ID in place of xx-xxxxx-x)
