

We are looking for a talented Front-End Developer with strong experience in Next.js and API integration to join our growing development team.

Job Time: Full Time, Physical Office

Location: Karwan Bazar, Dhaka

Duration: 10AM-7:00PM

Key Responsibilities:

- Develop, maintain, and optimize front-end applications using Next.js.
- Integrate RESTful and GraphQL APIs into front-end applications.
- Collaborate with back-end developers, designers, and project managers for smooth project delivery.
- Write clean, maintainable, and scalable code following best practices.
- Debug and troubleshoot issues related to performance, responsiveness, and integration.
- Ensure cross-browser compatibility and responsive design across multiple devices.
- Participate in code reviews and contribute to continuous improvements.

Requirements:

- Proven experience in Front-End development at least 1 Year+.
- Strong knowledge of React.js, JavaScript (ES6+), HTML5, CSS3, and TailwindCSS/Styled Components.
- Hands-on experience with API integration (REST, GraphQL).
- Experience in state management (Redux, Zustand, Context API, or similar).
- Familiarity with authentication/authorization mechanisms (JWT, OAuth).
- Knowledge of version control systems (Git/GitHub).
- Basic understanding of SEO optimization for Next.js.
- Problem-solving mindset and attention to detail.

What We Offer:

- Monthly Salary 20,000-25,000 BDT.
- Opportunity to work on challenging and innovative projects.
- Collaborative and supportive work environment.
- Professional growth and learning opportunities.
